## MINIMUM TECHNICAL REQUIREMENTS

Please, review carefully the following information to verify that you enjoy a complete online webinar experience.

### WEB BROWSER

- Minimum: Chrome 20, Firefox 17, Safari 8.0, Microsoft Edge 12, Opera 12.10, Internet Explorer 11
- Adobe Flash Player 10.0.32 or superior
- JavaScript and Cookies should be activated

### MINIMUM COMPUTER SPECIFICATIONS

- Microsoft Windows 7, 8.0/8.1, or 10, Macintosh OS X v10.7 or superior, or Linux
- 512 MB recommended
- Super VGA (800 x 600) or higher resolution
- Speakers/headphones

### INTERNET CONNECTION SPEED

- For a reliable, médium quality viewing experince we recommend a connection speed of 1 Mbps.
- Viewers can select a higher video quality (up to 2Mbps for HD) or a lower one (198Kbps for low) in the media player, depending on the connection speed.
- You can test your connection speed by clicking on the link below. We recommend you do various tests as the bandwidth may fluctuate. [CONNECTION SPEED TEST HERE](#)
